Lesson Plan

Date	
Period	
Class	Year 7
Lesson	Lesson 5.

Context of the lesson Where this fits into the "Big Picture"	With the continuing growth and use of the Internet, social networking sites and texting as a means of communication, it is essential that students are aware of potential risks to their safety and well being and of the steps that they can follow to reduce these risks.	
MLO for this lesson. What will pupils know/understand by the end of the lesson	*Know:* The main rules that they should follow when using online chatrooms *Understand:* How a film created using Windows Moviemaker is comprised of many different component parts. *Be able to:* Continue developing their film in accordance with their plan	
Teacher input/Activities. What the pupils should undertake with approximate timings.	Greet and settle students. Take register. No starter activity this lesson. **Teacher led discussion** Remind students what they were doing last week. Remind students about the aim of the task. Ensure they are clear about their audience and purpose. Remind students that they should be following the plan that they created previously. Ensure students know where to find the relevant software. **Pair task** Students should aim to complete the development of their information film about online safety. Provide support and assistance as necessary. **Teacher observation** During the course of the lesson visit each pair of students and watch their film. Ask students to reflect on how they have used ICT. Discuss successes and difficulties that they may have encountered. (level 4) Ask them to identify ways in which they could use ICT more effectively in the future. (level 5) Ask students if they are able to identify advantages and limitations of the software that they have used to create this project (level 6) Provide verbal feedback about what they have achieved and some suggestions for future improvement.	5 mins 5 mins 35 mins
Review/Summary At least 5 minutes before end.	Ask students to feedback to the class some of the points they have learned during this project.	5 mins
Extension work	Any students that have finished could create a poster using software of their choice to support the information in their film.	
Homework	No homework as the project has been completed.
