

Chadwick School

THE TRUTH BY A YEAR 7

Hi there. My name is Lucy, yes that's me on the right next to my brother Tom (he is the ugly one).

I started here at Chadwick School last year.

Before I came I had a look around the school, but they didn't really tell me the important stuff that I really wanted to know. Things like, are the school dinners nice? Will I get told off if I forget my homework? What can I do at lunchtime?

In this leaflet, I'm going to tell you all the things that I wish I had known before I arrived.
