

# Lesson Plan

<b>Date</b>	
<b>Period</b>	
<b>Class</b>	Year 7
<b>Lesson</b>	Lesson 4.

<b>Context of the lesson</b> Where this fits into the "Big Picture"	With the continuing growth and use of the Internet, social networking sites and texting as a means of communication, it is essential that students are aware of potential risks to their safety and well being and of the steps that they can follow to reduce these risks.	
<b>MLO for this lesson.</b> What will pupils know/understand by the end of the lesson	<i>Know:</i> The main rules that they should follow when using online chatrooms  <i>Understand:</i> How a film created using Windows Moviemaker is comprised of many different component parts.  <i>Be able to:</i> Continue developing their film in accordance with their plan	
<b>Teacher input/Activities.</b> What the pupils should undertake with approximate timings.	Greet and settle students. Take register. Collect homework from last week. Hand back previous homework.  <b>Starter</b> Display this quiz on the board: <a href="http://www.teach-ict.com/xml/finished/5738/build.htm">http://www.teach-ict.com/xml/finished/5738/build.htm</a> As a class, identify the correct answers.  <b>Teacher led discussion</b> Remind students what they were doing last week. Remind students about the aim of the task. Ensure they are clear about their audience and purpose. Remind students that they should be following the plan that they created last week. Ensure students know where to find the relevant software.  <b>Pair task</b> Students should spend the rest of the lesson working on the development of their information film. Provide support and assistance as necessary.	5 mins  5 mins  5 mins  30 mins
<b>Review/Summary</b> At least 5 minutes before end.	Using classroom management software, access a film that one pair of students are creating. Play the film on the whiteboard and ask other students to provide constructive feedback and suggestions for improvement.	5 mins
<b>Extension work</b>	Investigate how they could create their own video footage to use within their information film.	
<b>Homework</b>	Students should spend a further 30 minutes working on their information film.	
<b>Materials required</b>	Marked homework from last week. Access to <a href="http://www.teach-ict.com/xml/finished/5738/build.htm">http://www.teach-ict.com/xml/finished/5738/build.htm</a>
