Sources of images

You can get images from many different places. Before you decide where to get your images from, you need to think about the advantages and disadvantages of each source.

Complete the table below.

Source	Advantages	Disadvantages
Images from the internet		
Images from Office clipart		
Images from a CD-ROM		
Images from your digital camera		
Images that you scan in e.g. from a drawing or a magazine		

If you use images from the Internet, you need to think about copyright. What do you think this means?
