

## 8 Bit Computer Game Sprites

### INSTRUCTIONS

Use the internet to search for an image of each of the old computer game characters below. You are looking for 8 bit images which clearly show the individual pixels.

Paste your image into the sheet below – make sure it is big enough for you to see clearly.

Make sure you have your homework saved electronically for use during your next ICT lesson.

1. Pacman 8 bit

2. Mario 8 bit

3. Megaman 8 bit

4. Black mage

5. An 8 bit image of your choice

*You may:*

- Guide teachers or students to access this resource from the teach-ict.com site
- Print out enough copies to use during the lesson

*You may not:*

- Adapt or build on this work
- Save this resource to a school network or VLE
- Republish this resource on the internet

**A subscription will enable you to access an editable version and save it on your protected network or VLE**
