Class	Year 7
Lesson	Lesson 4.

Context of the lesson Where this fits into the "Big Picture"	Students enjoy making use of multi-media resources. Sound is an important part of any multi-media resource and it is useful for students to gain a good understanding of how to construct and manipulate sound files.	
MLO for this lesson. What will pupils know/understand by the end of the lesson	<p><i>Know:</i> How to use a microphone to record speech using Audacity</p> <p><i>Understand:</i> How a sound project can be made up of many different component parts</p> <p><i>Be able to:</i> Mix recorded sound and downloaded sound files into a professional sounding advertisement.</p>	
Teacher input/Activities. What the pupils should undertake with approximate timings.	<p>Greet and settle students. Take register. No starter activity this lesson.</p> <p>Teacher introduction Remind students about what they were doing last lesson. Explain that they will spend the rest of this lesson creating their advertisement. They should aim to complete their advert this lesson.</p> <p>Student task Students should collect a microphone and a pair of headphones and log onto their computer. They should continue with the creation of their radio advertisement and aim to finish it this lesson. If they have time, they could hand it in via the shared area ready for next lesson. If they are not able to complete their advert in time, there might be 10 minutes available at the start of the next lesson.</p> <p>Teacher explanation Stop students and tell them that they will be advertising their product to the rest of the class next week. Explain their homework to them. Tell them that they will show their poster to the class next week, explain their product and then play their advertisement.</p>	<p>5 mins</p> <p>35 mins</p> <p>5 mins</p>
Review/Summary At least 5 minutes before end.	Show their advert to another student and ask for two positive comments and one suggestion for improvement.	5 mins
Extension work	Begin work on their poster using a graphics package.	
Homework	On a sheet of A4 draw a final version of their product, in colour, so that they can show it to the rest of the class next week.
