Instructions during the lesson

You can be the volunteer at the front or you can ask a student(s) to volunteer

The volunteer takes one of the printed terms at a time, keeping the term a secret from the rest of the class

The class then have a maximum of 10 questions to guess the term.

The volunteer is only allowed to answer 'yes' or 'no'

If the class guess within the 10 questions, they win. If they don't guess within the 10 questions allowed, the volunteer wins.
