Project title Technology in the future

Context of project During this unit, pupils will investigate some of the technologies which might be available to us in the future.
They learn to use an online presentation tool, Prezi, to present their findings

Lesson No. Lesson 4

Learning Objectives To learn how to add text, images and frames to a presentation using Prezi

To be able to manipulate text and images in terms of size, placement and rotation within Prezi

To be able to set up a path to enable viewing of content within a presentation created by Prezi

Learning Outcomes *All pupils will:* be able to add text to a Prezi presentation

Most pupils will: be able manipulate text and images within a Prezi presentation

Some pupls will: understand how to add sound and media files to a Prezi presentation.

Key Terms Future technology, presenting information, audience, Prezi

Starter	Prioritise.doc	10 mins
Main activity	<u>Teacher instructions</u> Remind pupils that over the last three weeks they have done a lot of research to find out about possible technological developments which might happen in the future. Explain that they are going to create a presentation, but a different kind to traditional PowerPoint ones with which they are familiar. Show: http://prezi.com/153774/view/#1 (use the arrow on the bottom right to move through the presentation). Explain that they are going to spend this lesson learning how to create a presentation using this tool and next lesson they will begin to create their presentation on future technology. Show pupils how to access the 'prezi_instructions.doc'	7.5

	<u>Individual task</u> Pupils should log on and access the 'prezi instructions.doc'. They should follow the instructions and begin to familiarise themselves with using this presentation software. Provide help and support as required.	35 mins
Plenary	In pairs or small groups, pupils should discuss how they can make use of the Prezi presentation software in other lessons. Feedback suggestions to the rest of the class.	7.5 mins
Extension	Find out how to add sound and movie files to their presentation.	
Homework	No homework this week	30 mins
Materials required	Prioritise.doc (starter) Prezi_instructions.doc	

You may:

- Guide teachers or students to access this resource from the teach-ict.com site
- Print out enough copies to use during the lesson

You may not:

- Adapt or build on this work
- Save this resource to a school network or VLE
- Republish this resource on the internet

A subscription will enable you to access an editable version and save it on your protected network or VLE
