

Homework 2

How are you being monitored?

Pick an example from the list below.

Technology used to monitor and collect data about you:

CCTV cameras; Automatic number plate recognition; Mobile phone triangulation; Credit/debit card transactions; Satellite monitoring; SkyPlus; Monitoring phone calls; Keylogging every keystroke you make on a computer; Cookies; Phone/email database

1. Example chosen

2. Explain how data is collected about you by using this technology.

3. What do you feel are the advantages and disadvantages to you of data being collected using this technology?

4. What are your feelings about being monitored in this way?

You may:

- Guide teachers or students to access this resource from the [teach-ict.com](http://www.teach-ict.com) site
- Print out enough copies to use during the lesson

You may not:

- Save this resource to a school network or VLE
- Adapt or build on this work

A subscription will enable you to access an editable version and save it on your protected network or VLE
